RESIDUAL URBAN SPACES RECOVERY

“Many small people in small places doing small things can change the world.”
(African proverb)

1. FIND A RESIDUAL SPACE

Many small people in small places doing small things can change the world. “Many small people in small places doing small things can change the world.” (African proverb)

2. IDENTIFY ITS COMMUNITY

3. KNOW THE COMMUNITY

4. FIND THEIR NEEDS AND PROBLEMS

5. DETERMINE THE ZONE’S IMPACT POTENTIALS

6. DEVELOP A PROBABILITY MASTER PLAN

7. CREATE SPACE RESCUE PROGRAMS FOR THE COMMUNITY

A synergy between the strengthening of the social fabric and the recovery of the urban space is created, resulting in a wave impact effect that is connected with urban rescue spaces creating a system of self-recovery and self-renewal for a new wave of interventions.
